

NO

I say NO to people who think
that it is important to be
just as they want you to be.

I say NO to people who only follow the trend
and have no own style.

I say NO to superficiality.

I say NO to people who are so arrogant
that they do not recognize
when they're hurting somebody else.

I say NO to people who think that they are better
than anyone else is
only because they are rich.
And famous. And beautiful.

I say NO to people who are introverted and
Have no fun in their lives.
I say NO to people who are without any sense of humour.
