Anthony Joseph is one of the UK's most exciting and innovative voices. Poet, musician and lecturer, he

was born in Trinidad and has lived in the UK since 1989. He is the author of three poetry collections, *Desafinado* (1994), *Teragaton* (1997) and *Bird Head Son* (2009), a spoken-word CD *Liquid Textology* and a novel *The African Origins of UFOs* published to widespread critical acclaim by Salt Publishing in November 2006. Anthony Joseph currently lectures in creative writing at Birkbeck College and Goldsmiths College, London.

He will be reading from his brand new collection *Bird Head Son* (Salt Publishing, 2009).
